

K-Love FM 96.9 Troy OHIO

1. K-Love is the ONLY contemporary Christian Radio station in my area. I get to hear POSATIVE news and current events as well as news updates for my local community. They also provide a Bulletin board for family friendly activities in my local areal.

2. If K-Love were to be displaced by LPFM broadcasting I think that our community would really suffer. So many people that I know listen to K-Love everyday! I have it on on my way to work, at work, and on my drive home. It helps me keep a posative and friendly attitude, and reminds me of how much God loves me. The DJ's are very uplifting, and my whole family can listen without the fear of them saying or playing something crass.

3. I believe that we need more stations just like k-love. What the world needs is posative influences, not negative influences. We have so many things in the world that are negative. Just watch the evening news on TV, how depressing. K-Love keeps us up to date and informed about both. We hear about situations like Iraq, but we also get to hear about good things that people are doing in the world.

PLEASE DON'T DISPLACE FM with LPFM
